

Find the instrument that you want information for in column A (Eg English Horn)
Follow the horizontal dotted line to the right until it ends at a green vertical line.
Note the note reference at the top of the page (In this case E3)

Follow the solid line right until it ends at a vertical blue line.
Note the note reference at the top of the page (In this case F5)

This means that the English Horn has a range of the E in octave 3 to the F in Octave 5.

If you now follow the lines down to the lower levels, you will be able to find :

- 1 The range on the Grand Staff
- 2 The frequency of the start and end of the range.
- 3 The position on a keyboard of the start and end of the range.
